

# AXEL OFFRET

## GRAPHIST

### ABOUT ME

I am a 3D Artist with experience in the field of graphic design and 3D modelling. I have a strong passion for creating 3D models and graphics, and I am always striving to improve my skills and knowledge in this field. I am a quick learner and have a good eye for detail, which makes me a great asset to any team. I am also a motivated individual who is always looking for new challenge.

### PROFESSIONAL EXPERIENCE

#### FUNIKA GAMES

February 2022 - February 2023 DENIZLI, TURKEY

Designed and modelled various environments, assets and characters ensuring that all projects were done in a timely manner.

Effectively collaborate with every department of a game development team.

Illustrated game assets, and textured objects and designed multiple in-game icons and menu screens.

Animated models to fit the game manager's views and the game aesthetic.

Collaborated and work closely with the manager to make sure that everything was in compliance with the client's needs and requirements.

#### POLYVERSE LIFE

September 2022 - February 2023 DENIZLI, TURKEY

Created multiple detailed and functional rigs for High and low polygon models.

Supported the lead 3D Artist to create new characters, creatures and environments.

Work collaboratively with the communication team to create efficient and innovative 3D posts.

Research and organised different imagery and design for the project.

Imagined and created new innovative 3D Animation.

#### THE MUSEUM OF TOULOUSE

Septembre 2018 - Janvier 2019

Managed my team and made sure that the application followed user requirements.

Made communication between the team and our clients, the Museum of Toulouse and Alexandre Marciel.

Designed the front end of the application with ergonomics and the Three-click rule.

#### FREELANCE

2021-2023

Successfully completed multiple Graphic Design freelance missions with a high customer satisfaction rate.

As a freelance Graphic designer, I add to conduct multiple projects and create logos, graphic charts, and UIs
